Read time: 1 minute
Last night I preached my second sermon at St. John's church [2] in Bothasig. My topic was "**The Nativity According to the Gospel of John**". This is a message idea which I have had for a long time and I was happy to finally deliver it. The text was John 3:1–21.

I do not yet have the "official" recording. If I do get it I'll link to it in a comment. The recording which I do have gets progressively worse, but everything is still clear and audible.
