This year I did not prepare a Christmas message of my own. But that is fine, because sometimes it is good to keep quiet, listen to others and let their message go out. And so I invite you to give this song [2] a listen. It is a refreshing break from the Christmas music which we are used to.

> The angels trembled
>
> and the demons did too;
>
> for they knew very well what pure grace would do.

Have a blessed Christmas, and remember fondly the baby boy upon whom the hope of the world rested, as if you were there that day.
