So I have recovered about 95% from my bout with the flu. Thank you to everyone who gave their well wishes! I just wish I had more to show for all that downtime...

Today I gave my third TIM talk. It can be found [here](#) [2].

During my domestic incarceration, I worked on translating two SVG maps into English: [The 12 Tribes of Y'srael](#) [3] and [The Kingdoms of Y'srael and Judah](#) [4]. Each of these took me the better part of a day. But, they are done and I am quite proud of them. Now I just hope someone will find them useful!
